

Sponsorship Opportunity of Valencia High School Choirs

Valencia High School Choirs are doing exceptional things! Last year, we were fortunate enough to travel to the Hawaii Heritage Festivals where we earned three gold superiors! We were then invited to sing in the Heritage Festival of Gold. This upcoming April, over 100 students will board planes headed to New York City to sing Francis Poulenc's *Gloria* and perform jazz arrangements under the direction of composer/arranger Phil Mattson in Carnegie Hall! These opportunities will give students a chance to see and experience firsthand their national and musical history.

Like most performing art programs however, funding is tight. Students fundraise individually but sometimes fall short of the amount they need. Financial support from businesses and individuals like you at this time are critical. We ask that you help in furthering the musical performance and education of Valencia High School Choirs. Your gift is tax deductible and your name, or the name of your organization, will be included in the sponsor sheet of our next choral performance program.

Please indicate the monetary sponsorship you would like to make and include a check made out to *VHS Choirs*.
